

Tom O'Toole OAM

Grit.
Guts.
As real as it gets.

Sound Bites

Tom's philosophy on achieving success is easy. Walking the talk, his maxims - borrowed from some of the greatest minds as well as hard-earned - are practical, down-to-earth ... and work.

-  If you wouldn't buy it, don't sell it.
-  Attitudes are contagious - is your's worth catching?
-  Nothing changes if nothing changes.
-  If it is to be, it is up to me.
-  Don't let someone else steal your day.
-  The most important thing about goals is having one.
-  Don't tell me what I am doing wrong, tell me what I am doing right.
-  Choose to be happy; it's as simple as that.
-  Goals are just dreams with dates.
-  Everything you want is just outside your comfort zone.
-  Take a risk, smile, live - don't just exist!
-  The person who does not take risks has nothing, is nothing, becomes nothing. Only the person who risks is truly free.
-  Enjoy your work - we all spend a lot of time there - so we might as well enjoy the experience.
-  If you're not getting what you want out of life, check your level of enthusiasm.
-  To become enthusiastic, just act enthusiastic - that's how simple it is. Fake it 'til you make it.
-  Be grateful.
